RoHS Declaration

BroadWave Technologies, Inc. certifies all products are fully compliant with Restriction of Hazardous Substances (RoHS) Directive 2011/65/EU and 2015/863. As of July 1, 2006 all products manufactured by BroadWave Technologies, Inc. meet the requirements of the current RoHS Directive 2011/65/EU and 2015/863 without exception.

REACH Compliance

BroadWave Technologies, Inc. certifies all products are fully compliant with and do not contain any of the Substances of Very High Concern (SVHC) included on the Candidate List of EC Regulation Number 1907/2006 of the European Parliament and of the Council of the Registration, Evaluation, Authorization and Restriction of Chemicals ("REACH").

Environmental Responsibility

BroadWave Technologies, Inc. is committed to operating an environmentally prudent manufacturing facility by collaborating with suppliers to minimize our environmental impact. We continually seek opportunities to improve our recycling and sustainability programs. Through continuous education and soliciting input from our customers, employees and suppliers we promote environmental responsibility in our industry.
